

## OPEN CALL\_VISUAL ARTIST

To be open until 1st of April, 2018

Can Serrat International Art Residency opens the **Residency Call for Visual Artists**. This Open Call is meant to support artistic production and to offer a working and living space for visual artists.

Can Serrat will invite **6 artists for a full grant + 16 artists for a partial aid support stipend** in total **during 2019**. In addition to this grants and partial aid support stipends, the jury will select between **10 and 20 artists per each open call** to be part of the residency program.

The artists selected for a **Grant#1** and **Grant#2** will accomplish their residency period during any month of 2019 except February, June, July and August; while artists selected for a **Grant#3** will be welcome to accomplish their residency program during any month of 2019 except October, February and April.

[More information about our Grants.](#)

See below for more information about the residency, and application process:

### What do we offer?
